GHK-Cu - 50mg

Tested for: Elevating Labs

COA #: COA-2026-APAGMW
Lot Number: LOT-2026-001
Labeled Content: 50mg

Analysis Date: 09/01/2026
Appearance: Good
Date Received: 08/27/2026

Method: Purity, Identity & Quantitation (HPLC)

PASS

Scan to verify
authenticity at ils-lab.com
Access Code: KNDC4LCE

Identity
GHK-Cu

Peptide Purity
99.67%

Purity, Identity & Quantitation (HPLC)

Analyte	Specification	Result	Unit	Status
Peptide Purity (HPLC)	>= 95.0%	99.67%	%	PASS
Net Peptide Content	Report Only	51.3	mg	N/A
Identity (HPLC-RTM)	GHK-Cu	Confirmed	-	PASS
Fentanyl Screen	Immunoassay, 50 ng/mL cutoff	Not Detected	-	PASS

GHK-Cu 50mg - LOT-2026-001

HPLC Chromatogram

GHK-Cu 50mg - LOT-2026-001: UV Chromatogram

Notes & Methodology

- Date Tested: 09/01/2026. Methods: Purity, Identity & Quantitation (HPLC).
- The sample was confirmed to be GHK-Cu by HPLC. Identification by chromatographic retention time comparison with a reference standard.
- Peptide purity determined by RP-HPLC area normalization at 214 nm. Value represents the percentage of the target peptide relative to all peptide-related peaks. Non-peptide process-related impurities, if detected, are excluded from the calculation.
- Accreditation Scope: ILS Laboratories maintains ISO/IEC 17025 accreditation for activities listed in its published PJLA scope. Peptide testing reported on this certificate is performed for Research Use Only.
- This certificate reports analytical results for the sample(s) submitted to ILS Laboratories for testing. All sample identifications, product names, brand names, lot/batch numbers, and labeled content are provided by the submitting party and have not been independently verified. Results reflect only the analytical testing of the specific sample(s) provided and do not constitute an evaluation or endorsement of the manufacturer's processes, quality systems, or overall production. ILS Laboratories makes no representations regarding the intended use, safety, efficacy, regulatory status, or intellectual property ownership of any materials tested.
